APPLICANT'S STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

On or about November 8, 2004, Applicant's attorney, J. Scott Heilesen, Reg. No. 46,765, participated in a telephonic interview with Examiner Ishrat Sherali of Art Unit 2621, in which claims 1-14 were discussed. Agreement with respect to the claims was reached. The Examiner informed Applicant's attorney that claims 1-14 were allowable, except that the specification needed a clearer description of the concept of higher moment data. At the Examiner's suggestion, Applicant's attorney agreed to amend the specification by way of an Examiner's amendment. Applicant subsequently submitted, by fax, proposed text for insertion into the specification. The submitted text provided a description of higher moment data.

Authorization is hereby given to charge our Deposit Account No. 02-2666 for any charges that may be due. Furthermore, if an extension is required, then Applicant hereby requests such extension.

Respectfully submitted,
